Kies optie 2:

The screenshot shows a web browser window displaying the Nextdoor Help Center article titled "How to deactivate or delete your account". The page has a search bar at the top and a "Log in" button. The main content area is divided into two columns. The left column contains the article text, which explains that users can deactivate or delete their account. It lists two options: 1. Deactivate your account, which removes the profile from the Newsfeed but keeps past posts visible, and 2. Delete your account, which removes the profile and all content. An orange arrow points to the "Delete your account" option. The right column contains a "Categories" sidebar with options like "Getting started", "Using Nextdoor", "Guidelines & policies", and "Account privacy". Below the categories is a "Related articles" section.

Je komt op de volgende pagina **vul de gegevens** in als in het voorbeeld:

The screenshot shows the "Contact us" form on the Nextdoor Help Center. At the top, there is a message: "NEED AN ANSWER RIGHT AWAY? See if your question is covered in our Help Center articles." Below this, there is a section for "For a faster response, choose a topic from the drop-down menu that most accurately describes your issue." The form contains several fields: "I HAVE A QUESTION ABOUT" (dropdown menu with "Privacy and online safety" selected), "RELATING TO" (dropdown menu with "Report suspicious activity on my account" selected), "YOUR NEXTDOOR EMAIL ADDRESS" (text input field with "jemailadres@abc.nl"), "YOUR NAME" (text input field with "je naam"), and "ADDRESS" (text input field).
